

Final External Auditor Report and Certificate 2021/22 in respect of Stainland and District Parish Council WY0095

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2021/22

On 28 September 2022, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2022. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2021/22 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

The AGAR was not accurately completed before submission for review:

- The smaller authority has not restated the 2020/21 figure when revaluing assets in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.

Other matters not affecting our opinion which we draw to the attention of the authority:

The AGAR was not fully completed before submission for review. The smaller authority subsequently submitted a fully completed AGAR.

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2022/23 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July, the notice regarding the period for the exercise of public rights was not published before the start of the period and the correct information was not published on a website as well as a noticeboard. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2022/23 and ensure that it makes proper provision for the exercise of public rights during 2023/24.

External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
